April 6, 1933

Mr. Renz L. Jennings,
County Attorney,
Maricopa County Court House,
Phoenix, Arizona.

Attention: M. L. Ollerton, Deputy.

Dear Sir:

The Attorney General has received your letter of March 24th in which you request his opinion as to whether or not school warrants registered prior to the enactment of Chapter 19, Session Laws of 1933, which amends section 867, R. C. A. 1928, should draw interest, and if so from what date.

Please be advised that it is the opinion of the Attorney General that school warrants which have been registered prior to the 23rd day of February, 1933, the day when Chapter 19, Session Laws of 1933, became operative, will bear interest from said 23rd day of February until paid. It is also the opinion of the Attorney General that school warrants which had been registered prior to the 23rd day of February 1933, do not have to be again presented for payment and stamped, as provided by the provisions of Chapter 19, supra. It therefore follows that school warrants which have not been registered prior to February 23, 1933, must be presented for payment and stamped in the manner provided by the provisions of the law.

For your information I submit to you the following authorities in support of this opinion:

McIntosh vs. Salt Lake County (Utah) 65 Pac. 483.
Daggett vs. Lynch (Utah) 54 Pac. 1095.

Very truly yours,

Attorney General
