Attention: Miss Palmer

Gentlemen:

I have your letter of the 15th instant enclosing copy of letter received from Norton and Norton, of Cottonwood, Arizona, relative to the requirements of registration for operators of motor vehicles transporting school children.

It is my opinion that persons engaged in the transportation of school children, other than in busses owned by the school, must apply for and obtain a permit under Section 7, Chapter 100, Laws of the Eleventh Legislature.

Very truly yours,

Attorney General
