ARIZONA ATTORNEY GENERAL

May 9,1938.

Mr. L. P. Hotchic, Secretary
State Board of Barber Examiners,
323 Ellis Bldg.,
Phoenix, Arizona.

Dear Mr. Hotchic:

I have your letter of May 6th requesting an opinion from this office on the following question:

"Does the Arizona State Board of Barber Examiners have jurisdiction over a barber or barber shop on an Indian Reservation."

It is the opinion of this office that your Board has jurisdiction over a barber or barber shop on an Indian Reservation where such barber or operator of a barber shop is not an Indian, and such barbers are subject to the same regulations as any other barber operating within the State.

Very truly yours,

JOE CONWAY,
Attorney General.

J. E. JOHNSON,
Assistant Attorney General.

✓ EARL ANDERSON,
Special Assistant
Attorney General.
