LAW LIBRARY
ARIZONA ATTORNEY GENERAL

Mr. William C. Truman,
County Attorney, Pinal County
Florence, Arizona.

Attention: Mr. Ellis.

Dear Mr. Truman:

In your communication of February 1st you ask an opinion with reference to the following propositions:

"(1) Can a member of a Board of Education of a union high school district, who is also agent for an oil company, as such agent legally sell gasoline to said union high school district when said sales are not made under contract? (2) Can a partnership composed of a member of a Board of Education of a union high school district and others legally sell school buses to the said union high school district of which Board said partner is a member? (3) Can a partnership composed of a member of the Board of Education of a union high school district and others legally collect for mechanical labor done on the school buses for a union high school district, of which said Board said partner is a member, when said mechanical labor is not furnished under contract?"

Answering your communication it is our opinion that the above transactions fall within the prohibitions contained in Section 91, Revised Code of Arizona, 1928. We are enclosing a copy of an earlier opinion which fully discusses the law covering such subject.

With best wishes, I am.

Yours very truly,

JOE CONWAY
Attorney General.

LIN ORME, JR.
Assistant Attorney General

EARL ANDERSON
Special Assistant
Attorney General.
