ARIZONA ATTORNEY GENERAL

Honorable R.T. Jones,
Governor of Arizona,
Phoenix, Arizona.

Dear Governor:

We are in receipt of a letter from your office dated February 10th enclosing House Bill No. 67 - "Making an Appropriation for the Maintenance of the Arizona Copper Tariff Board". We have examined said bill and find the same to be in proper style. It is our opinion that the matter is constitutional and should be approved.

We also enclose Senate Joint Memorial No. 1 and House Concurrent Memorial No. 4, which we have examined and find the same to be in proper form and style.

Yours very truly,

JOE CONRAY
