Mr. H.H. Boyer, Director,
Luxury Tax Division,
Arizona State Tax Commission,
Phoenix, Arizona.

Dear Sir:

We have your letter of April 16th requesting an opinion interpreting Section 3a of Senate Bill # 134 the precise point being whether each salesman in the employ of a wholesale licensee must have a license to sell tobacco etc. in addition to the license taken out by the wholesaler.

It is our opinion that the section of the act in question merely requires that the wholesaler take out the license provided for therein and that he may employ salesmen and solicitors to sell his products or merchandise for him without the necessity of each of said salesmen or solicitors taking out an additional license.

Very truly yours,

JOE CONWAY
Attorney General

Assistant Attorney General

EARL ANDERSON,
