J. M. Christy Esq.
Ter Treasurer
Phoenix

Dear Sir.

The Dist Atty of Yavapai County has pending an action in proceedings by Certiorari before Judge Sloan raising the question of power of the Board of Supervisors to compromise the taxes due from the United Verde Copper Co.

The matter comes on for hearing on Monday next and I presume will be presented and submitted to Judge Sloan then. The Territorial Tax is involved and will be considered in the hearing, and as doubt will be passed upon by Judge Sloan.

As soon as the subject is passed upon I will advise you.

Very Truly Yours
E. W. Wells
Atty Genl.
