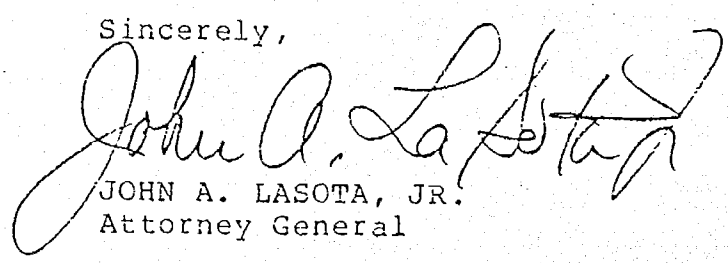
Re: 78-143 (R78-68)

Dear Mr. Klagge:

We regret that we are unable to respond to your request of March 3, 1978 concerning an alleged conflict between A.R.S. § 12-341.01 and A.C.R.R. R4-8-11. The purpose of this request appears to be for this Office to provide a legal opinion for the Commercial Accounts Corporation, a private business corporation. Both the provisions of A.R.S. § 41-193.A.7 and the language of State Bar Ethics Opinion No. 251 (July 17, 1968) make it inappropriate to respond to this request. For your information alone however, we feel that A.C.R.R. R4-8-11 is valid.

Sincerely,



JOHN A. LASOTA, JR.
Attorney General
