Dear Families of Firefighters

I'm sending a little something to let the families know, that the loss of there loved one touched my heart here back in Minnesota. My Grandpa Morrissey was a fireman from 1903-1943 in St Paul, Mn & put 15 years in St. Paul as a St Paul Police Reserve officer.
I'm sending an ornament that I make now for fallen fire fighters and Police officers families. I have one that hangs on my X Mass Tree.
Our St. Paul Fire Marshall was only able to get 8 out of 19 names, so could you forward the other 11 to the other families. Your help would be very much appreciated.

Love + Prayers to all
