To the families and friends of the Granite Mountain Hotshots

My heart and prayers go out to all of you in the loss of these courageous firefighters who lost their lives in the Yarnell Hill fire. It is also a terrible loss to the Citys of Prescott and the whole state of Arizona. They are true heros who put their lives on the line for others and for the wildlife and beauty of our forests.

May God hold them forever in his arms as we hold them forever in our hearts..

I think it would be a wonderful tribute if the library kept all the letters and E mails for all the families to be able to see, including the children as they grow up.
