Dear Prescott Fire Department Administration,

We were heartbroken over the loss of the 19 firefighters at Yarnell Hill. The families and spouses of these fallen heroes inspired us to hold an entire day of donation-based yoga classes, for which 100% of the donations would go to help these families.

On Saturday, July 13, 2013 we had over 140 people come to these classes, and donate the amount enclosed, _____ for this charity. Please be sure this gets directly to the families in need of support at this time. Thank you for establishing this charity, and please mail us a donation letter with tax ID upon receipt of this check. Thank you.

Sincerely,
Heidi-Jo Klingman (General Manager)
