I'm writing to you from Tucson and our hearts are Broken over the loss of so many special young men. Please give our love to all the families, friends, + co-workers.

We thank you, + fire fighters everywhere, for your Bravery and sacrifices.

Be Strong in the days ahead and know that we love you + pray that God will give you peace in knowing that our precious 19 are now in His Army so that we will all be together in His Heavenly Kingdom again one day. They are all our heroes + they always will be.

With Big hugs + much love,

Marty + Tammy Henrikson - Tucson
