Joe Cornett

Dear Sir:

I am an artist. I make custom jewelry for galleries and clients. I decided to donate the proceeds of my sales of the "Crosses" and my line of jewelry registered "Cross Your Heart" from a gallery that represents me in Sedona. It is the "Environmental Realist" gallery in Thaquepaque.

Our good friends here in Flagstaff, have a son that works for you all. His name is Jaron Kirk. We contacted him to see where we could send this donation. He directed this to your web-site.

We are so proud of Jaron and all of you, for the fine work that you do! This is not a lot of money, but hopefully it helps those families that lost so much.

The gallery "Environmental Realists"

also is donating a percentage of their monthly sales for July. to this cause!

Thanks Again! May God Bless You!

Sincerely

Joe Cornett
