To Jan Brewer,

Please Can you pass this Card and thoughts to the firestation of the fallen 19 members of the elite "Hot shots" firefighters who lost their lives fighting the horrific fire in the town of Yarnell Arizona.

I am a Paramedic living in Melbourne and I know this time is very difficult. this Card May not even be found. I Can only send my love and joint Support from the Rescue Services and People of Australia.

This Very Sad time in the fire fighting Community Can be felt accross the seas.

May you all find Comfort in Eachothers arms.
