to The Prescott AZ Firefighters' Fund,

Please accept this small donation to the fund. Hopefully others will help for the families of the brave brothers whose lives were lost protecting others.

I come from a family of firefighters; two generations. My dad was a life long member of the Mahopac Falls Volunteer Fire Department, in whose name I write this check (MFVFD, Mahopac Falls, N.Y.) They are a tight band of brothers.

God bless you all, and the families of the firefighters who were lost to all of us. A special breed of men and women. Sincerely, Alexandra Williams
