my husband was a firefighter for 26 yrs. I couldn't count the number of times I "Held my breathe & prayed" this is the fear of every family.

Each one of these men were our Hero's. I cannot imagine the pain Each family is going through but also the Pride of what Fire fighters Stand for. We are a "Special family" altho we have never met we grieve with you. My husband had Tears running down his face as we viewed the news. Last time I saw him with Tears in his eyes was at his father's funeral. May God hold you all very close as you go down this path & please know you have many prayers

Do not fear, for I am with you;
do not be dismayed,
for I am your God.
I will strengthen you and help you;
I will uphold you
with my righteous right hand.
