ATTN: PFFC Granite Mt. Donations

My husband and I would like to donate [redacted] toward the fund for the firefighters who perished in the Yarnell Hill fire in Arizona. We live on Thompson Ridge and so appreciated this group of outstanding men who provided structure protection plans for Thompson Ridge and Sierra Los Pinos, as well as helped our local firefighters to protect the historic buildings at the Valles Caldera during the recent Thompson Ridge fire.

We thank the Prescott Fire Dept. for forwarding our donation to the proper authorities for us. Our hearts and thoughts will continue to be with the families and your community.

Sincerely,

Marsha & Dave Mavis
