Dear Chief Traijo

My husband & I were very sad to hear of the deaths of your "hotshots". Michael & I lived in Sunsites/Pearce Cochise County for nearly 10 years. We belonged to the Sunsites Fire Department. Chief Howard was our Chief & he was wonderful. We are both now in our 80's but we loved our time in AZ. Please tell the families we will remember them in our Prayers. Arizona was very special to Michael & I. and always will be.
