New Mexico has long been indebted to the First Nation Hot Shots saving the state from utter destruction—

My heart is so heavy and my prayers are so full for all of you—

I am so-so- sorry for your overwhelming loss!

In deepest sympathy

To all of you—

Please know that my
thoughts and prayers
are with you today
and in the many
days to come.

I cannot imagine the shock-grief and despair all of you are experiencing—

Fire fighters have long been my heroes — especially the "hot shots" (I lived in New Mexico for many years)
