July 2, 2013

My heart goes out to all of the families of the Granite Mountain Hotshots in the heartbreaking loss of their loved ones and my prayers are with them. And also to those of you who knew and worked with them. You are all heroes, God bless you and God bless your families.

During the last few months whenever I see a fireman or policeman I stop to say thank you for all you do to help and protect us. You face danger every time you go out on a call.

My husband and I moved to this wonderful community 25 years ago and have never regretted it. He passed away 2 1/2 years ago and I choose to remain here as long as I can.

Sincerely,

Mitzi Edwards
