# To the families and members of the

# 19 members of the Prescott Fire Department

# Granite Mountain Hotshots Wildfire Crew

Words cannot express our feelings when one of our members dies. Being a firefighter is being in a family. I know this personally because my dad was a firefighter and I am a firefighter. It is the Brotherhood of Firefighters.

When one dies, we all feel the loss. We also feel the loss for the member's family.

At such a tragic time as this may God bring you comfort and His peace.

The Officers and Members of the West Suburban Firefighter's Association and the West Suburban Firefighter's Immediate Relief Association share in your grief and sorrow. You are in our prayers.

Richard O. Lind - West Suburban Firefighter's Association President
Anthony W. Moore - West Suburban Firefighter's Immediate Relief Association Director
