To the Prescott Fire Dept,
We wanted to tell you how
very sorry we are about the
loss of your firefighters. No
words are adequate at this
time.

Having just gone through the
Black Forest Fire here in Colorado
Springs, we know how hard
& with resoluteness, the firefighters
work to save what they can. Our
home was spared because of that
determination.

They will be remembered in
hearts & prayers.

Derro & Dan Auchinger
