Please know that we care.

God bless,
Mrs. Andrea Doherty

To: Chief Fraijo,

I'm sending you 50 stars to distribute to the people who have lost loveones, & those who have & continue to fight the fires in your area. If you need more, please let me know.

All of the fire personnel from the Twin Towers, N.Y., were presented with the stars on the 10th Anniversary.

As a family of 2 generations of Fire personnel, including 4 Chiefs, we all feel your loss.

I have also enrolled all of you in our Prayer group - 24/7 around the world.
