Dear Sir

To honor the 19 Firemen who gave their lives to the community and country, I would like to mail you the "Patriotic lei" to be given to each family who lost their beloved ones.

These leis were hand crocheted with great love and patience.

Please contact me at [redacted]
If I am not home, please leave message.

It is my great desire to honor these men. My heart goes out to each family who lost the most important member of their family

I will have the lei's "blessed" by my Pastor today.

Hope to hear from you.

Sincerely,
Violet Kagawa
