Attention Mr. L. G. Reiff

Gentlemen:

I have your letter of August 10, 1933, attaching your docket No. 5960-A-2760, in re UNIVERSAL FORWARDERS, LTD.

I have examined this docket and it is my opinion that this company is not qualified to register as an interstate common carrier. The applicant is in no sense a carrier but is a 'broker of business for carriers'.

I am returning your docket herewith.

Very truly yours,

Attorney General
