Mr. Rouland W. Hill
County Attorney
Globe, Arizona

Dear Rouland:

In reply to your letter of the 5th inst., I advise that it is my opinion that Sections 2793 and 2794, Revised Code of 1928, must be construed together, and the term "officers", as used in Section 2793, includes deputies.

Kindest personal regards.

Very truly yours,

Attorney General
