

January 21, 1933

Mr. A. K. Ketcherside,
County Recorder,
Yuma, Arizona.

Dear Sir:

Mr. Dumbauld, State Examiner, has requested the Attorney General to reply to your letter of January 16, 1933. I advise that it is my opinion that any expense which must necessarily be incurred by a county officer in the performance of his duty is a proper county charge. The expenditure by a supervisor-elect before he has taken office, cannot be a county charge.

Very truly yours,

Attorney General
