ARIZONA ATTORNEY GENERAL

Mr. Harry M. Moore,
Secretary of State,
Phoenix, Arizona.

Dear Mr. Moore:

We have your letter of January 3, 1939, in reference to the Initiative and Referendum Publicity Pamphlets in your office.

It is the opinion of this office that you have the legal right to destroy these pamphlets inasmuch as they can serve no useful purpose.

It may be you can sell these pamphlets to a junk dealer and realize something for the state in this manner.

Very truly yours,

JOE CONWAY.
Attorney General.
