Dr. O. L. Bendheim, Superintendent
Arizona State Hospital
Phoenix, Arizona.

Dear Sir:

Replying to your letter of October 21st, you are advised that you would have no legal authority to receive or retain the persons mentioned in the letter from Dr. Fullerton. We think your opinion to the Doctor is correct.

We realize that these persons should be committed and detained but we find no provision under the law relative to the Arizona State Hospital which would permit their reception and detention here.

Yours truly,

JOE CONWAY
Attorney General
