**LAW LIBRARY**  
**ARIZONA ATTORNEY GENERAL**

Dear Dr. Kroeger:

This will acknowledge receipt of your letter dated August 5, 1943, in which you request an opinion as to whether the revisions of the State plan for the emergency maternity and infant care as requested by the Children's Bureau, U.S. Department of Labor, complies with State laws.

It is our understanding that the determination of standards and qualifications for practitioners rendering obstetrical services under M.C.H. and M.I.C. was delegated to the State Health Agencies, subject to a compliance with State Laws and that you were asked to resubmit a revision of that portion of the State plan to conform with the proviso contained in H.R. 2935.

The law in this State relative to the qualifications of practitioners rendering obstetrical services was fully discussed in an opinion rendered to you by our office on July 12, 1943. In view of this opinion the revised portion of the State plan relative to obstetrics complies with the State law.

Very truly yours,

JOE CONWAY  
Attorney General

JAMES H. GARCIA  
Assistant Attorney General

EARL ANDERSON
