Re: Farris S. Farris

Dear Doctor Metzger:

Referring further to our telephone conversations, and to the copies of letters, affidavits and records (which we enclose herewith\*) submitted by Messrs. Moore, Romley & Roca, attorneys, regarding the status of Farris S. Farris; it appears that at the time said Farris made his visit to the State of New York, neither he nor his guardian intended to change his residence, and neither have since that time intended to establish his residence there.

We are of the opinion that the said Farris S. Farris, now confined in the New York State Hospital at Utica, New York, under our law, is a resident and citizen of the State of Arizona.

Respectfully,

JOE CONWAY  
Attorney General

THOMAS J. CROAFF  
Assistant Attorney General

EARL ANDERSON  
Chief Assistant
