Opin. No. 52-174

Mr. A. W. Yoder
Acting Director
Arizona Game and Fish Commission
Arizona State Building
Phoenix, Arizona

Dear Mr. Yoder:

On May 31 you wrote to this office asking us whether or not the giving of a new bond each year, rather than a continuation certificate, applied in the case of hunting and fishing license dealers.

Please be advised that it is the opinion of this office that a new bond rather than a continuation certificate should be given each year by these license dealers.

We understand that you are preparing a new application form for these dealers and we would like to suggest that you incorporate into the application some wording to the effect that the dealership applied for is to be on an annual basis and that each year is a separate appointment rather than a reappointment. We shall be glad to assist you in any way we can in the preparation of this application form.

Very truly yours,

FRED O. WILSON
Attorney General
