Re: 77-86 (R77-59)

Dear Representative Humphreys:

In response to your letter of February 24, 1977, your request raised speculative questions concerning the interpretation of a proposed Federal constitutional amendment. As a universal rule, constitutional language is susceptible to judicial interpretation, ultimately by the United States Supreme Court. I do not believe that we can provide any additional guidance above and beyond the many arguments on all sides that have been advanced in the media by legal scholars.

Sincerely,

Bruce E. Babbitt
Attorney General
