Arizona State Highway Department,
Mr. E. M. Whitworth, Supt.,
Motor Vehicle Division,
Phoenix, Arizona.

Dear Sir:

We have your letter of the 23th inst. relative to the warrant to be used in paying out the special fund held by the County Treasurers for use of the County Assessors.

It is our opinion that a special warrant should be used in drawing upon this fund, designating that it is drawn upon this fund. However, it is our opinion that the preparation of the form of the warrant is a matter which should be handled by the Assessors themselves, and for that reason are not preparing the form.

Very truly yours,

STRUCKMEYER JENNINGS & STROUSS
