Re: I80-129 (R79-120)

Dear Commissioner Tims:

In your letter of April 11, 1979, you requested advice regarding Commission action in light of the Western Gillette case.

We think your request should appropriately be handled in a manner other than by the formal opinion process. Formal opinions generally involve analyzing statutes in relation to a specific fact situation, rather than rendering advice with respect to various hypothetical situations.

Your request, which necessitates lengthy and involved discussion, will be addressed by Mr. Charles Pierson, in his capacity as your advisory counsel.

Sincerely,

ROBERT K. CORBIN
Attorney General
