Re: I81-023 (R80-277)

Dear Dr. Sarn:

A letter from your office dated December 15, 1980, requests our opinion concerning several questions relating to the issuance of conditional licenses to health care institutions.

The questions involve issues which are in litigation, e.g., an administrative review action before the Superior Court involving Georgian Court Nursing Home, a skilled nursing care institution; administrative actions involving licensure of Happy Happy Rest Home, a skilled nursing care institution and La Posada Boarding Home and Thunderbird Guest Lodge, supervisory care homes. It is the policy of this office not to render opinions concerning issues currently in litigation; therefore, we decline to respond to your request for an opinion on these questions.

Sincerely,

Bob Corbin
