

I am the One who is always lost and found among mankind. It is your love for yourself that loses me and it is your love for me that finds me. Love me above everything.

the One residing in every

make others happy, serve  
others even at discomfort to  
yourself. This is to love Me."

I am  
not limited  
to this form.

I use it  
like a garment  
to make myself  
visible to you,  
and I  
communicate with you.

Don't try to  
understand Me.  
My depth  
is unfathomable.  
Just love me.

MEHER BABA

Start learning to love God by loving those whom you cannot love. The more you remember others with kindness and generosity, the more you forget yourself, and when you completely forget yourself, you find God.

## WE ARE LOVING GOD...

If we feel for others in the same way as we feel for our own dear ones;

if instead of seeing faults in others, we look within ourselves;

if instead of robbing others to help ourselves, we rob ourselves to help others;

if we suffer in the suffering of others and feel happy in the happiness of others;

if instead of worrying over our own misfortunes, we think ourselves more fortunate than many others;

if we endure our lot with patience and contentment, accepting it as His Will;

if we understand and feel that the greatest act of devotion and worship to God is not to hurt or harm any of His beings, we are loving God.
