WHEREAS, pursuant to the provisions of Title IV, Part B of the Federal Higher Education Act of 1965, as amended (the "Higher Education Act") (20 U.S.C. Chapter 1071 *et seq.*) the United States Congress has provided for Federal insurance of student loans made pursuant to the Higher Education Act or, in the alternative, for Federal reimbursement of guaranty payments made on such student loans in states where state guaranty programs are operated pursuant to the Higher Education Act and the United States Congress has also provided through the Higher Education Act for payment by the Federal government of interest and other subsidies on such student loans; and

WHEREAS, the United States Congress has provided through the Higher Education Act and Section 150(d) of the Internal Revenue Code 1986, as amended ("Section 150(d)"), procedures whereby certain nonprofit corporations may issue tax-exempt "qualified scholarship funding bonds" for the purpose of obtaining funds to finance the acquisition of student loans originated under the Higher Education Act; and

WHEREAS, assuring that loans for postsecondary education are accessible in Arizona at favorable rates of interest and repayment terms is an important objective in Arizona's total effort to provide adequate opportunities for our citizens to benefit from postsecondary education; and

WHEREAS, assuring adequate access to educational loans requires the establishment of an additional statewide secondary market and warehousing facility which will provide liquidity for investments in such loans, thereby further encouraging and permitting commercial lenders to make additional educational loans; and

WHEREAS, Student Loan Acquisition Authority of Arizona, an Arizona nonprofit corporation (the "Authority"), has been formed under the nonprofit corporation laws of the State of Arizona. The Authority will establish a student loan purchase program by establishing an additional statewide secondary market and warehousing facility designed to provide funds for student loans to all lenders which are eligible to originate student loans under the Higher Education Act, and such program will increase significantly the amount of funds available for student loans to students who are residents of Arizona or who are attending postsecondary education institutions in the State of Arizona; and

WHEREAS, the establishment of such student loan purchase program, as provided by the United States Congress through the Higher Education Act and Section 150(d), will assure to the people of the State of Arizona fair, efficient and competitive access to educational loans and coordinated planning and administration of this program; and

WHEREAS, in my capacity as Chief Executive Officer of the State of Arizona, I desire to facilitate the continued provision of the best possible student loan and educational finance services available to the students in Arizona; and
