EXECUTIVE ORDER 67-1CREATING THE ARIZONA CACTUS SQUADRON

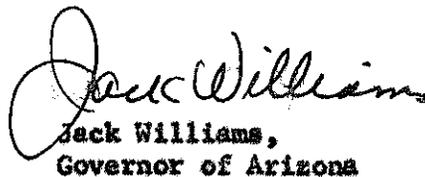

By request of the Governor of the State of Arizona there shall be created the Arizona Cactus Squadron, an honorary organization with no official status, which shall be composed of young men of the Federal Republic of Germany who, following pilot training in Arizona, were made honorary citizens of the State.

Upon entry into this informal service, it is hoped members of the squadron will enjoy fellowship reminiscent of the State of which they are honorary citizens.

It is hoped the Governor of Arizona will receive reports of such meetings as are convened, regardless of their form.

I also nominate General Johannes Steinhoff as Honorary Squadron Commander.
