STUDENT FINANCIAL AID - Public Law 94-482 contains a provision whereby each Student Financial Aid (SFA) recipient is required to maintain "Normal Progress". This means there is an established relationship between the level of SFA received (awarded) and the number of credit hours completed. That relationship has been defined by MCCC D SFA Officers as follows:

<u>Funding Level</u>	<u>Credit Hours Required</u>
100% of need	12 or more hours
75% of need	9 - 11 hours
50% of need	6 - 8 hours

Students who fail to achieve "Normal Progress" will no longer be eligible for SFA until the deficiency is removed. If the student feels that his/her circumstances are unique, he/she may submit a "Petition of Waiver of Normal Progress" to the SFA Office. If the denial is sustained, the student may appeal to the G.C.C. Standards and Admissions Committee.

G.C.C. CHOIR & CHAMBER SINGERS directed by Eugene Harris, will present a Program of Christmas Music on December 14th at 11:00 a.m. in the Student Lounge. The Book Review/Lecture Series will resume on January 25, 1978.
