FROM THE SUGGESTION BOX AT THE INFORMATION DESK:

Nov. 4 Make the parking lot attendant in the front do his job! He's never out there. If he's getting paid, he should stay out there.

Ans. The parking lot attendant is on duty from Monday morning until Friday afternoon. When have you looked for him?

Nov. 4 How about a dance in the Grill Room? And how about having a good band and extending the hours of the dance until 1 a.m.?

Ans. Well "IM" what time of day do you want a dance-who will pay for it? About extending the hours of the dance-please read page 19 of your Student Handbook. As to a good band--students should produce names of good bands. The Associate Dean of Students keeps a listing of bands and the organizations sponsoring dances select the bands.

FOR FURTHER QUESTIONS FROM THE STUDENTS--WITH ANSWERS FROM THE DEAN OF STUDENTS--SEE YOUR NEXT STUDENT BULLETIN!

LOST AND FOUND! Unclaimed books, clothing, glasses and other miscellaneous items still on hand at the close of classes on Wednesday, November 26 will be disposed of. If you have lost anything this semester, be sure and check with Mrs. Petty in SO-1.

REGISTRATION INFORMATION: Day Registration will be Tuesday, Wednesday, Thursday, January 27, 28, 29 from 8:00 a.m. to 2:30 p.m. and Friday, January 30, from 8:00 to 11:30 a.m.

Evening Registration will be 6 p.m.-8:30 p.m. - Monday through Thursday, January 19-22 and January 26-29.

All of the day registration on Tuesday, January 27, will be for those who were pre-advised, so advisement should be very light that day except for those who have scheduling problems.

It is anticipated that schedules for second semester will be mailed out during Christmas vacation. Several innovations have been made. First, a pre-advisement program will be tried from January 5-14, during which time students can confer with their advisors and get a #5 Schedule Card signed. When the signed #5 card is returned to the Registration Office, it will be stamped with a sequential number. The first day's registration (January 27) will be based on this number. Students are urged to use this opportunity to get an early registration number.

Students who do not participate in pre-advisement will be scheduled alphabetically for registration beginning on Wednesday, January 23.

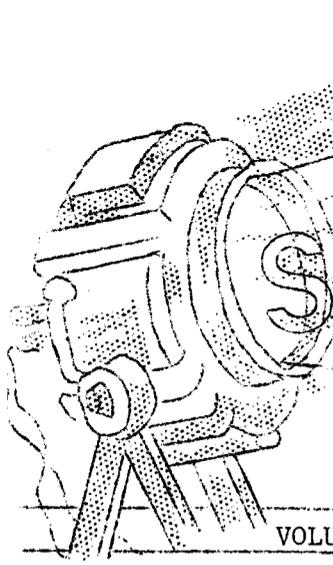

MIGRANT OPPORTUNITY PROGRAM: There will be two important meetings this week in the Council Chambers. All MOP students must appear at one meeting. Attendance will be taken. We will be discussing pre-advisement, registration, and scholarships for second semester. Stop in between 9:30 a.m. and 11:30 a.m. Wednesday, January 7 or between 1 p.m. and 3 p.m. Friday, January 9.

EL TIEMPO PASANDO: Deadline for all material to be handed in for El Tiempo Pasando will be January 7. The paper will be published on January 16.

LUTHERAN INQUIRER'S CLUB: A continuing discussion of fundamental Christian Beliefs related to life. The meeting will be on Wednesday in L-10 at 3 p.m. For information call 937-2877, Rev. Paul G. Fleischer.

FOR SALE: Would like to sell immediately a 1963 "Yamaha" Motorcycle-100 CC in like new condition. Call Benedict Mukwaya at 261-2119 between 4 p.m. and 12 p.m. Can be seen at 218 B - East Indianola.

AMS END OF THE SEMESTER PARTY: On January 23 - AMS at Glendale Community College will sponsor the end of the semester party. It is the last fling before the semester ends. Free food and a Band.

FROM THE SUGGESTION BOX- Located at the Information Desk in the Student Union:  
*here are many students on campus who smoke and resent the fact that our school does not have even one cigarette vending machine. This oversight (?) is more sharply brought into focus when contrasted to the fact that Phoenix College has three of these machines. If possible, I would like to formally request the installation of such vending machines for the use of the Student Body. Thank you, -Dave Wintermute*

This policy was established on the basis of recommendation from the County Attorney's office. After checking with the Executive Dean's office at Phoenix College, they report that there are no machines on campus. Could Dave tell us where he saw these machines? - Dean Butler
