COSTA RICA, CENTRAL AMERICA: Glendale Community College now offers a summer extension program at Centro Cultural in San Jose, Costa Rica. Classes are offered in Spanish, Studio Art, Speech, English, Philosophy, History and Latin American Civilization.

The total cost for 10 weeks including transportation, food and lodging is \$700-975. This is very similar to Northern Arizona University whose semester costs start with a low of \$660. High school students may earn college credits while still attending high school. Request a brochure at admissions and contact one of the program directors: Dr. Maurice Campion (Spanish Dept.); Mr. Bill Ahrendt (Art Dept.); Mr. Paul Chord (English Dept.); and Mr. Phil Smelser (Philosophy Dept.). COLLEGE LIFE RECREATION NIGHT... Everyone is invited to a special college life recreation night May 3, 7:30 p.m. in the GCC Gymnasium. Join us in some basketball, volleyball, singing, refreshments, and an investigation into the claims of Jesus Christ.

PRE-ADVISEMENT...for continuing day students will be in the Student Union on April 30, May 1 and 2 (Tuesday, Wednesday, and Thursday) from 10:00 a.m. to 3:00 p.m. This year the time of fall registration for the pre-advised students will be based on the number of semester hours earned by the student. Pre-advised students with the greatest number of hours will be assigned the earliest registration time. Students should realize that it is not necessary to rush their advisement in order to get a low registration number. The Admission Office is aware that many "self-advised" students are making errors in selection of proper courses to fulfill graduation and curriculum requirements. Students should rely more on the advice of faculty members to avoid such mistakes.
