Fall 2013 Calendar

Success from Day One policies require registration in a class to be completed before the first official class meeting date and time. Students may not register for a class once it has started. Class start dates and times are printed in this schedule and are available in the on-line schedule of classes. For classes without published meeting times, (i.e. online classes) registration in a class must be completed by 11:59 on the day before the class starts.

The college offers classes of varying length, with many late-start options. Financial aid or veteran's educational benefits will be awarded based on the total enrollment hours for the semester and may be impacted by course start and end dates or breaks in enrollment throughout the semester. Students planning to use federal financial aid or veteran's education benefits should be enrolled in all fall classes by the start of the semester. For additional information see the financial aid or veteran services website at www.gccaz.edu.

New Student Pathway to Success

Life is and college is about choosing your own path. As you plan your educational future and set your goals, Glendale Community College is here to assist you through the process. This checklist guides you through the steps required to get signed up for classes. Visit My.maricopa.edu for a printable checklist and detailed instructions for each step.

View the Connect2College Video

The Connect2College video describes the ins and outs of attending college and the value of a college education. It will help you successfully complete classes at a MCCC institution.

Create Your Maricopa Student Account

Go to My.maricopa.edu and click on "New Student? Click Here." Follow instructions and the online tutorial to create your Maricopa self-service ID (MEID) and password. Find instructions under "Set up Online Student Center." Sample screen shots will walk you through the process. You'll use your MEID and password to sign into all of your Maricopa student accounts.

(A social security number is requested as a unique identifier. Students who do not wish to provide their social security number will not be able to complete this process online. You will need to come in person to the Enrollment Center at GCC main or North to submit an application and receive a confirmation number for online access.)

Complete the Student Information Form*

Go to My.maricopa.edu and select the Student Center Icon under Student Tools. Use your MEID and password to sign into the student center. Select the Admissions Link to complete a Student Information Form online. The online new student Check sheet provides additional instructions. You may also complete a paper Student Information Form in the Enrollment Center at the GCC main or in Building C at the GCC North campus.

*Students under age 18 who have not graduated from high school and do not have a GED will need special permission to enroll. For information visit www.gccaz.edu/FutureStudents/GettingStarted/Under18.html or call 623.845.3313.

Activate Student Email

Your student email account is one of the main ways the college communicates important information about class cancellations, tuition due dates, or course specific items from your instructors. You must activate your email before you can receive these important messages.

Go to My.maricopa.edu and click on "New Student? Click Here"; then click on "Set up Online Student Center" and "Activate Student Email." Once your email is set up you will be able to link to it from the Maricopa Email Icon on the My.maricopa.edu home page.

Prepare for and Take Course Placement Tests

A placement test is not an admissions test, but simply a tool we use to determine the best English, reading or math course for you to take. Visit my.maricopa.edu/checklist/new-student/prepare-placement-tests to help you prepare for placement tests.

Students are required to complete a course placement test under any one of the following conditions:

- The student is taking his or her first college credit English, reading or math course, or any college course for which English, reading or math is a prerequisite.
- The student is pursuing a degree or transfer pathway and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.
- The student who is taking his or her first English as a Second Language class and who does not speak English as their primary language must take an English proficiency test.

Course placement tests are administered at GCC main, the North campus, and at the Community in Surprise. Allow 2.5 hours for testing. Please arrive 15 minutes prior to testing and bring current photo identification.

Plan Payment/Apply for Financial Aid & Scholarships

Before you register for classes, create a plan to pay your tuition and fees. You have several options to pay for your education:

- Apply for financial aid or scholarships
- Sign up for a monthly payment plan
- Pay in full

Students should apply for financial aid several months in advance of the start of a semester to allow adequate processing time. To apply for financial aid and scholarships, visit the Financial Aid web site at www.gccaz.edu/finaid.

Tuition must be paid (or you must be enrolled in a payment plan) on or before the tuition due dates (found in your Student Center).

Prepare for Academic Advisement

An Academic Advisor is a valuable resource in planning your education. Students who will be attending college for the first time, and intend to earn a degree or to transfer to a college/university are required to meet with an academic advisor prior to the start of their first semester.

For additional help defining your goals or choosing a career pathway visit the Counseling Department or the Career Center before meeting an academic advisor.

Academic Advisors are available in the Enrollment Center on a walk-in basis at GCC main, or at GCC North by appointment or walk-in basis. Limited advisement is also available at the Community in Surprise.

Meet with an Academic Advisor

An academic advisor will help you plan your class schedule, i.e. the classes you will take in your first semester and beyond. Academic Advisors are available in the Enrollment Center on a walk-in basis at GCC main, or at GCC North by appointment or walk-in basis. Limited advisement is also available at the Community in Surprise.

Register for Classes and New Student Orientation

Once you have selected your major, met with an advisor and planned your schedule, and you are ready to register for classes, go to My.maricopa.edu and click the "Student Center" icon under Student Tools. Students may also register in person or on the telephone.

New Student Orientation – Students who will be attending college for the first time, and intend to earn a degree or transfer to a college/university will be required to attend New Student Orientation prior to the start of their first semester. Look under NSO in the online class schedule to select your New Student Orientation session.

College Success Course – Students who will be attending college for the first time, and intend to earn an degree or transfer on to a college/university, and who test into one or more developmental education courses will be required to complete a college success course (CPD/AAA150 or CPD/AAA115) at a MCCC college.

Below 100 Level Courses – Students who test into courses that are below college-level (i.e., below 100-level) will be advised and placed into the courses within the first two semesters enrolled.

Buy/Rent Textbooks

Buying your books is easy and convenient at your college's online bookstore. Simply log into your Student Center and, with a single click, you'll see a list of every book you'll need for all of the classes you're taking. Choose the books you want to buy, add them to your shopping cart, and proceed to the checkout. The bookstore carries new and used books for purchase or rent. Pay with a credit card or your financial aid book advance. If you'd rather buy your books at a campus bookstore, bring a copy of your textbook summary with you. Textbook costs, ISBN number and publisher information is available in the online schedule of classes.

Student Photo I.D. Card

Obtain your free Student I.D. card at the admissions counter in the Enrollment Center or in Building C at GCC North.

Attend and Complete All Classes

Regular attendance is critical to your success. Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absences before the scheduled class meeting may, at the option of the instructor, be withdrawn. This could also have an impact on financial aid.

rev 03/07/13

Registration Steps for Returning and Continuing Students

Returning students begin with step 1. Continuing students enrolled in the Spring 2013 semester begin with step 3.

Step 1 Complete the Student Information Form

Returning students who have missed more than one semester should update their student information on file. Update the Student Information Form online, in person in the Enrollment Center, or by phone at 623.845.3333. Returning students who have missed four or more consecutive semesters will have to contact Enrollment Services prior to using the online student center at My.maricopa.edu. Student Information Forms are also available in the Enrollment Center at GCC main campus or GCC North, or can be printed from the GCC website at www.gccaz.edu/FutureStudents/GettingStarted.

*Students under age 18 who have not graduated from high school and do not have a GED need special permission to enroll. Call 623.845.3313 for additional information.

Step 2 Complete the Course Placement Test

Students will be required to complete a course placement test under any one of the following conditions:

- The student is taking his or her first college credit English, reading, or math course, or any college course for which English, reading or math is a prerequisite.
- The student is pursuing a degree or transfer pathway and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.
- The student for whom English is not the primary language and is taking his or her first English as a Second Language class is required to take a test of English proficiency.

Students will be permitted one re-test in English, reading, or math level after at least a 24 hour waiting period. One additional re-test is permitted no sooner than three months from the oldest valid score date at any course placement testing site.

Course placement tests are administered by Testing Services located in the Testing and Disability Services (TDS) building on the main campus or Student Services building at GCC North. Students should arrive 15 minutes prior to testing time and bring current photo identification.

Review Sample test prior to testing:

Prior to testing, students are strongly encouraged to complete a review test at the following websites:

ACCUPLACER: www.collegeboard.com/student/testing/accuplacer/

Step 3 Seek Assistance Planning Your Education

Academic Advisement

Academic Advisors assist students in developing educational plans consistent with their life and career goals.

Academic Advisors are available in the Enrollment Center on a walk-in basis or at GCC North by appointment or walk-in basis. Students should bring a copy of their course placement test scores, transcripts and program checksheet when meeting with an Academic Advisor.

Career Counseling

Career Counselors are available to help students explore goals, identify options, and assist them with the decision-making process. Career interest testing is also available. Career Counselors are available in the Counseling and Career Services (CCS) building to assist you. Call 623.845.3064 to schedule an appointment. Career Counselors are available in the Student Services building at GCC North. Call 623.845.4000 to schedule an appointment.

Step 4 Register and Pay for Classes

Choose one of the "4 Ways to Register" on this page. Evidence of prerequisites must be on file in order to register. See Transcripts Required on this page.

Tuition and Fee Payment Methods:

Tuition and fees must be paid (or you must be enrolled in a payment plan) on or before the tuition due dates. See page 10 for information on automated payment plan. Online payments may be made by Visa, MasterCard, Discover, American Express or eCheck at My.maricopa.edu. Check or money order payments may be mailed or made in person at the Cashier's Office at the Enrollment Center at GCC main campus or in the Student Services Building at GCC North. Cash payments must be made in person at the Cashier's Office at GCC main campus or in the Student Services Building at GCC North.

See page 9 for Tuition and Fee changes.

4 Ways to Register

Follow the Registration Steps, then choose one of the following 4 Ways to Register.

Online at My.maricopa.edu
See page 4 for information.

Phone
Call 623.845.3333 for the Enrollment Call Center. Prior to calling, be sure you have completed:

- The Student Information Form online.
- Required course placement tests. Course placement scores must be on file to enroll.
- A list of available classes for which you want to enroll.

Register On-Campus

You may register in person at GCC main campus, at GCC North, or at the Communityity in Surprise.

Mail or Fax

Complete the FAX/Mail registration form, which can be found online at: <http://www.gccaz.edu/student-services/328.htm>, and fax or mail it according to the directions on the form.

Transcripts Required

Four weeks prior to enrolling, request official transcripts from all institutions attended to be sent to GCC Admissions Office.

Evidence of completion of prerequisites must be on file in order to register. For information on prerequisites for any course go to My.maricopa.edu and click on **Search for Classes**

GCC Main Testing Times

Allow 2 1/2 hours. Please arrive 15 minutes prior to testing time and bring a current photo I.D.

ACCUPLACER

Monday through Thursday

Friday, through May 10th

9:00 a.m. - 1:30 p.m.

CELSA

Monday through Thursday

9:00 a.m. - 6:00 p.m.

Friday, through May 10th

9:00 a.m. - 3:30 p.m.

Offices are closed on Fridays from May 10th through Aug 2.

Preparing for Classes

Obtain GCC Photo ID Card

A GCC I.D. Card is required to use the Library, Fitness Center and High Tech centers; to attend aerobics classes and student life activities; to activate student computer account; and to pick up payroll checks at the Cashiers Office. Students may obtain a free GCC I.D. Card in the Enrollment Center by presenting a picture identification and a paid tuition and fee receipt. There is a \$5.00 fee to replace a lost card. Continuing students are required to keep their I.D. cards from semester to semester.

Purchase Textbooks

Students can purchase textbooks and supplies for all GCC locations at the bookstore located on the GCC main campus or in the Student Services building at GCC North (books are only available for the classes that are held on the GCC North campus).

Textbooks may be purchased online at www.glendale.bkstr.com. Online orders will be processed within (2) business days. A minimal shipping charge will be assessed.

Textbook Information

Textbook title, publisher and the ISBN is available in the online class schedule located at: <http://classes.sis.maricopa.edu/index.php>.

Attendance Policy

Absences begin to accumulate with the first class period. Students who fail to attend the first scheduled class meeting, or to contact the instructor regarding absences before the scheduled class meeting may, at the option of the instructor, be withdrawn. Attendance requirements are determined by the course instructor. Students who do not meet attendance requirements as determined by the course instructor may be withdrawn.

The college does not assume responsibility for dropping students who do not attend or who stop attending.

Students are responsible for notifying the college about their intent to drop within policy deadlines.

Changes to Schedule of Classes

Glendale Community College reserves the right to cancel classes based on class size, to make other changes as the college needs require, and to change, without notice, any of the information, requirements, and regulations published in the Schedule of Classes. This document is not to be construed as part of the enrollment contract.

Parking on Campus

Students are responsible for following all parking regulations. Violators will be ticketed and fined according to college

policies. Parking decals are not required for students. Please note that other MCCCDC colleges may require a decal. For more information, please visit the following web site: www.gccaz.edu/safety/parking.

Emissions Compliance: Each student must sign an affidavit with Enrollment Services at the time of registration, stating that his or her vehicle is in compliance with State emissions inspection guidelines. Vehicles not in compliance cannot be parked on college property.

Hope and Lifetime Learning Tax Credits and the American Opportunity Tax Credit

The Taxpayer Relief Act of 1997 provides tax benefits for many students and families who are paying higher education costs for themselves and members of their families, including textbook costs, tuition and fees.

Students and families will be responsible for determining whether or not they are eligible and which of their textbook, tuition, fee and payments qualify for the tax credits.

Students who want to take advantage of the tax credit need to ensure that GCC has their correct social security number, name and address on file so the college can prepare required reports for tax reporting purposes.

For more information on educational tax benefits:

- Contact your tax advisor
- Go to www.maricopa.edu/business/reporting/1098t/1098faq.html.

Residency Guidelines (ARS 15-1802)

Persons who have not established a domicile in Arizona as adults for at least one year (12 full months) immediately prior to **August 17, 2013** will be classified as out-of-state residents for the purpose of assessing tuition and fees.

State law now **requires** that a person who is not a legal citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or to classification as a county resident pursuant to A.R.S. Section 15-1802.01.

Due to the complexity in interpreting these laws, students having difficulty determining their residency should contact Enrollment Services for further explanation.

A detailed outline of the Residency Guidelines is available at the Enrollment Center and www.gccaz.edu/residency.

Fiscal Policies

A student is not officially enrolled until all tuition, fees, assessments, and deposits are paid.

No student may be enrolled in classes who has any debt which is due and unpaid at any MCCCDC college. Delinquent debts may require late charges, collection costs, and/or legal fees to be paid before good standing is restored to the student. Failure to pay debts may revoke a student's current enrollment.

A returned check for tuition payment may result in revocation of that student's current enrollment.

Payment (cash, money order or credit card) of the tuition and returned check fee will be required for reinstatement of enrollment.

All MCCCDC services will be withheld pending payment of debt. MCCCDC may use a collection agency, Tax Refund Setoff Programs as stated in A.R.S. Section 42-1122, or litigation if other attempts to collect payments fail.

Citizenship Verification

State Law requires that a person who is not a legal citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or classification as a county resident pursuant to A.R.S. Section 15-1802.01.

For compliance purposes, students must provide documentation as proof of lawful presence in the United States. Acceptable documents include a birth certificate, an Arizona driver license or ID card issued after 1996, and official immigration papers. Students who successfully complete the federal Free Application for Federal Student Aid (FAFSA) will not need to show additional proof of citizenship. Detailed information is available at www.maricopa.edu/residency.

General Information

Nondiscrimination Policy

It is the policy of Maricopa County Community College District and Glendale Community College to promote equal employment opportunities through a positive continuing program. This means that Maricopa will not discriminate, nor tolerate discrimination, against any applicant or employee because of race, color, religion, gender, sexual orientation, national origin, age, disabled, or veteran status. Additionally, it is the policy of Maricopa to provide an environment for each Maricopa job applicant and employee that is free from sexual harassment, as well as harassment and intimidation on account of an individual's race, color, religion, gender, sexual orientation, national origin, age, disabled, or veteran status or genetic information. Additionally, it is the policy of the Maricopa Community Colleges to provide an environment for each job applicant, employee, and student that is free from sexual harassment, as well as harassment and intimidation on account of an individual's race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information.

This nondiscrimination policy covers all aspects of the employment relationship and admission to, access to, and treatment of students in the Maricopa Community Colleges' programs and activities including vocational education. This policy also prohibits discrimination on the basis of sexual orientation in the admission and treatment of students in the Maricopa Community Colleges' programs and activities and in the hiring, treatment, promotion, evaluation, and termination of employees. For additional information on Maricopa's Equal Employment Opportunity Policy please visit: www.maricopa.edu/publicstewardship/governance/adminregs/students/2_4.php

Immunization

To safeguard your health and to prevent illness, which could interrupt your education, you are urged to seek immunization for measles/rubella if you were born after January 1957 and were not immunized after 1968.

Policies, Rules and Regulations

Every student is expected to be fully acquainted with and comply with all current published policies, rules, and regulations.

The policies, courses, programs, fees, and requirements described in this schedule may be suspended, deleted, restricted, supplemented, or changed through action of the Governing Board of the Maricopa Community Colleges.

The Maricopa Community Colleges reserve the right to change, without notice, any of the materials, information, requirements, and/or regulations published in this Schedule of Classes.

Records Policy

Glendale Community College complies with the Family Educational Rights and Privacy Act of 1974. Students should refer to the following website for information: www.maricopa.edu/legal/ferpa/

Disclosure of Safety Policies and Annual Crime Statistics

Under recent amendments to the Campus Security Act (now more commonly referred to as the Clery Act) institutions that participate in Federal Financial Aid programs must now detail their safety-oriented policies and programs to both students and employees. For more information visit the following website:

www.gccaz.edu/ps/clery/1/1.htm

* Students from any other county in Arizona are considered Maricopa County residents (in county) due to a reciprocal arrangement with that county. Reciprocal agreements allow for in-county tuition rates for residents of all Arizona counties except Apache or Greenlee counties without an Out-of-County Residence Affidavit.

** According to ARS §15-1802F, "A person who is a member of an Indian tribe recognized by the US Department of the Interior whose reservation lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student." Therefore, unclassified and out-of-state surcharges do not apply to such students.

*** According to ARS §15-1470, community college districts may offer credit and noncredit courses and services outside of this state. A district is not entitled to state aid payments for students who are provided courses and services outside of this state.

+ This rate applies to out-of-state students who are taking distance learning courses or students who are taking classroom-based credit courses through a contract agreement between MCCC and the company they work for. This rate does not apply to Study Abroad Programs as there is a separately calculated rate for those students.

Special Fees (Subject to change)

The class listing indicates if a special course fee is required. The college reserves the right to add and adjust course fees as deemed appropriate. Course fees will be refunded in accordance with the tuition and fee refund policy.

Payment Due Dates

Payment due dates are determined by the start date of each class. It is the student's responsibility to check the Online Student Center at My.maricopa.edu for the payment amount and due date for each class. The college runs an enrollment cancellation process that will drop students when charges are past due. Enrollment cancellation will begin 35 days prior to the start of the class and run daily, Monday - Friday until the college moves to the Summer Hours schedule. Enrollment cancellation will run daily Monday - Thursday through the 100% refund period for each class. Students who have not made payment arrangements by the close of business on the payment deadline date may be dropped from classes.

Payment Options

Pay in full My.maricopa.edu

- Online via My.maricopa.edu (must know MEID and password)
- In person at the Cashier's Office at GCC main campus or GCC North
- Over the phone by credit/debit card at 623.845.3333
- By mail, please make check payable to Glendale Community College and include your Student ID Number

Tuition Payment Plan

- Set up a monthly payment plan by going to your Online Student Center at My.maricopa.edu. *Payment plans must be completed by the end of the business day on the payment due date or classes will be dropped. (See page below for additional information).*

Apply for Financial Aid

- If financial aid funds are not awarded by payment due date, student is still responsible for paying tuition or enrolling in a payment plan (refunds will be made once the financial aid award is made)

The college does not assume responsibility for dropping students who do not attend or who stop attending.

Students are responsible for notifying Enrollment Services about their intent to drop, and to do so within policy deadlines. The date the student's request for a withdrawal is received by Enrollment Services is the date used to calculate refund eligibility, as well as tuition and fee liability.

Students must drop classes by the 100% refund deadline to be eligible for a refund. Non-attendance does not qualify a student for a refund. See tuition and Fee Refund Policy starting at the bottom of this page and continuing on page 11.

A pro rata refund will be made under the following circumstances provided courses have not been completed. Special and miscellaneous fees will not be refunded.

- A student with a serious illness, verifiable by a doctor's written statement that the illness prevents the student from attending all classes for the semester. The doctor's statement must be on file with the college before a refund can be given.
- Serious illness or death of a family member that prevents the student from attending all classes for the semester. Appropriate documentation must be provided before a refund can be given.
- Death of a student. Appropriate documentation must be provided before a refund can be given.

Obtaining a Refund

Maricopa Student Refund Program (MSRP)

The Maricopa Community Colleges have contracted with Citi® to provide safe, convenient access to student refunds.

Tuition and fees for students who paid by cash, check or payment plan will be processed via MSRP. Refunds for credit card payments will be credited back to the same card used for the original payment. For credit card refunds, call 623.845.3333 or bring your credit card to the Cashier's Office window to receive your refund.

In addition to tuition refunds, financial aid grants, student loans, and scholarships are processed via MSRP.

Students entitled to receive a refund, will be responsible for enrolling in MSRP and choosing the preferred payment method. An e-mail will be sent to your Maricopa student e-mail account with the title "REFUND." The message will contain a link to the enrollment site, where easy instructions for enrollment are available. The three refund payment options are as follows:

- Prepaid Card** The fastest and most flexible way to receive your funds. Make purchases anywhere Visa® debit is accepted and withdraw cash fee-free at Citibank® ATMs.
- Electronic Funds Transfer (EFT)** If you have an existing bank account, you may choose to have your funds transferred automatically.
- Paper Check** Paper checks remain available for those who want them. Checks will take 7 - 10 days to receive and will be mailed to the last address on record with the college.

If a student does not enroll within three days of receiving the Citi® email notification, a paper check will be automatically disbursed by Citi®.

The link to the student email account is also located on My.maricopa.edu. Information is included in the FAQs sections of the student email site regarding how to forward the student email account to a home or other preferred email address.

Students are responsible for keeping contact information current. Go to your Student Center at My.maricopa.edu to review and update contact information.

Applying for Financial Aid?

At times, applying for financial aid can be a frustrating experience. Learn how to avoid the pitfalls and how to obtain your award more quickly by:

1. **Attending a Financial Aid information session.**
2. **Submitting required materials well before the deadlines**
3. **Paying careful attention to all notices you receive from Financial Aid in your Message Center in your Student Center.**
4. **Submitting accurate information the first time.**

Fall 2013 Deferment Deadline

July 1, 2013 is the deadline for deferment of tuition and fees, pending receipt of your award. All required documentation must be received by this date to qualify.

If any documentation is missing by **July 1, 2013** deadline, you will be responsible for paying all educational expenses or sign up for the payment plan by the payment due date listed on your Online Student Center at My.maricopa.edu. You will be reimbursed upon completion of your financial aid file and approved eligibility. For more details, please visit www.gccaz.edu/finaid.

How Do I Apply?

1. **Apply on the web at www.fafsa.ed.gov.** You must apply for a PIN to submit your financial aid data electronically, or you must print and mail your signed signature page to the address indicated. Complete the 2013-2014 FASFA for Fall term.
Results of a FASFA sent electronically may be received by the college within 72 hours. A FAFSA with a mailed signature page, may require up to 3 weeks to receive results from the processor.
2. **Apply by mail.** Results may be received from processor in four to six weeks. FAFSA forms are available only from the Federal Student Aid Processor at 1-(800) 4-FED-AID.

Where do I find information on the status of my Financial Aid?

Students will need to check their Student Center at My.maricopa.edu for **ALL** information regarding financial aid eligibility and awards. You will receive **messages** and will see **checklist items** if additional information is needed. Once you are awarded, you will be able to view award information under the financial aid tab in the Student Center. **Notifications are no longer mailed!!**

Financial aid for processed files will be disbursed during the **second week** of classes for receipt by the student during the **third week** of classes in the Fall 2013 semester. See page **11** for information on disbursement through the Maricopa Student Refund Program (MSRP).

Please see **PED101WT** for general weight training classes held in the **PowerHouse**.

Student Computer Access

Computers will be a big part of your college experience. As a student enrolled in a credit class you will receive a student computer account. The access granted to your account will depend upon the courses you enroll in. The Technology Resources area of the GCC website provides the information you need to use your account, use wireless technology, and even connect from home. To access this information choose Technology Help from the Quick Links menu on the GCC home page at www.gccaz.edu.

Student Computer Account

All computer accounts have access to an Internet browser, student email account, and a standard suite of tools (Microsoft Office, library databases, and other course-specific software). For information about accessing your account, please contact our Technology Help Desk at <https://www.gccaz.edu/help> or by calling 623.845.3555.

Do I have a student computer account?

If you are a student enrolled in a credit course you have an active computer account. All student computer accounts have access to an Internet browser, student email account and a standard suite of tools.

How do I access my student computer account?

In order to log in to you will need to know your MEID and password. To obtain your MEID scan your GCC college id at one of the Account Lookup stations in High Tech 1, High Tech 2, the Library Media Center, the Enrollment Center, or the Student Cluster Area at the GCC North campus. You will receive a printout with your username, instructions for setting your password, and basic information to help you navigate GCC's computer systems including where to find support. If you need additional assistance please contact the Technology Help Desk at <https://www.gccaz.edu/help> or by calling 623.845.3555.

What kinds of support services (help desk, training, troubleshooting, lab assistance) are provided by the campus and when are they available?

Walk-in, phone, email and chat services are available through the client services desk in the High Tech 1 building. For current operating hours, please check the Technology Resources area on the GCC website by selecting Technology Help from the home page Quick Links menu at www.gccaz.edu.

In-person account and software assistance is available in all GCC student computer labs. The Technology Resources website contains a wealth of information and tools, including self-paced tutorials.

How does the campus support printing for students and is there a charge for this service?

GCC's Pay-for-Print program support students and the college's Green Efforts by helping students make better informed decisions about what they print. The fee for printing per printed side is \$0.10 for black/white and \$0.50 for color. Please reference the Technology Resources area on the college website for complete information on Pay-for-Print.

Math Information

Students should complete a review test prior to assessment. Review test is available online at:

www.gccaz.edu/math/placement.htm

Within the first three weeks of the semester, a student may request to switch to a lower math course if approved by the instructor and the department chair.

To learn about the teaching styles of full-time math instructors, please go to:

www.gccaz.edu/math/teachinginfo.htm.

A limited number of graphing calculators are available on a "lease by semester" basis from the Math Department. Math students may bring a paid GCC Cashiers receipt to The Math Solution to lease a calculator. Please consult with your instructor or call 623.845.3853 to determine which graphing calculator is recommended for your class.

FREE MATH HELP! The Math Solution

The Math Solution provides **FREE** drop-in tutoring for all mathematics students at GCC. Stop by the Math building or call Kevin Fitzgerald at 623.845.3942 or 623.845.3655.

Math Success - MAT108

Students who struggle with math and are enrolled in MAT081, 082, 090, 092, 120, 122, 142, 150 or 151 are encouraged to also enroll in MAT108 for tutoring, study skills and confidence building. This is highly recommended for students repeating any of these courses for a **SECOND** or **THIRD** time. There will be a \$25.00 fee for tutoring services. This will provide approximately 30-32 hours of tutoring.

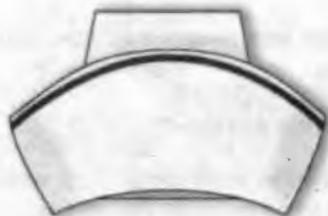

Pre-Nursing Information Sessions

MaricopaNursing at GCC provides a 4-semester nursing program that prepares graduates to become a Registered Nurse (RN) by earning an Associate in Applied Science degree. If you are interested in learning more about MaricopaNursing at GCC, you must attend a mandatory information session - **NO APPOINTMENT REQUIRED!**

The nursing program information sessions provide valuable information on:

- the different types of nursing programs available at GCC and other Maricopa colleges
- nursing program admission requirements
- what to expect during nursing school: progression of the "blocks", clinical experiences, time to complete the program, and more
- basic information about the MaricopaNursing Concurrent Enrollment Program (CEP), the option that enables students to be enrolled in BSN courses while in the MaricopaNursing program

For session dates and times and more information, please go to www.gccaz.edu/nursing.

Pre-Nursing Advisement Sessions

No Appointment Necessary! Bring Unofficial Transcripts

Once you attend the mandatory information session for Pre-Nursing, you may then seek academic advisement with the nursing advisor. Visit www.gccaz.edu/nursing for dates and times for information sessions and advisement.

Get your Associate's Degree first at a Maricopa Community *then...* Complete your Bachelor's Degree at ASU!

The Maricopa - ASU Partnership Program (MAPP) is a tool that outlines a prescribed sequence of classes for students to take at the community college to prepare them for their desired degree at ASU.

The MAPP outlines all of the classes that are required for a specific ASU degree. This will help students know which classes they can take at the community college. Each MAPP has an Arizona General Education Curriculum (AGEC) and an associate's degree built into it and the necessary grade point average (GPA) for the program.

Benefits of participating in a MAPP program:

- Guaranteed admission to ASU degree program when all MAPP requirements are met.
- Eligibility for the ASU Tuition Commitment which provides limits on tuition increases during enrollment at ASU.
- Specific scholarships available for meritorious students who complete an associate's degree.
- Access to Transfer Advising and other pre-enrollment services on-site at the Maricopa Community Colleges
- Cost-effective pathway ensuring all courses transfer and apply to an ASU degree.

Prerequisites: [(CHM130 & CHM130LL) or CHM130AA or 1 yr of high school chemistry w/ grade "C" or better within last 5 years] & completion of MAT151 or higher math with grade of "C" or better. Completion of prerequisites within last 2 years recommended. Students may receive credit for only one of the following: CHM150 or CHM151. This course satisfies Natural Sciences (Quantitative) in the MCCD AGEC-A, AGEC-B, and/or AGEC-S. Students are EXPECTED to attend lecture the first week of classes and should have their textbooks. CHM150 is designed for science majors and students in preprofessional curricula. CHM150 is an extended version that covers all the same topics as CHM151 but allows more time for lecture and in-class activities. Designed for students who have not had chemistry recently or require more time for problem-solving and general chemistry concepts. NOTE: Although this is a 4 credit course, it does not include the lab component. CHM151LL must be taken in addition to this course to meet the General Studies Credit. Special fee payable at time of registration.

Communiversity @ SURPRISE

The Communiversity @ Surprise is a partnership of higher education institutions including Glendale Community College that is dedicated to providing students with the opportunity to continue their education and earn progressive degrees. Through the Communiversity @ Surprise, students can pursue degrees in six educational pathways, all in one convenient location!

More than 40 educational programs are offered in a variety of course formats, including in-person, online and hybrid. Students are able to complete certificates, associate degrees, bachelor's degrees and Master's degrees through the partner institutions.

In addition, the Communiversity @ Surprise offers many additional advantages to students:

Transfer Options

The community college partners, one of which is Glendale Community College, have articulation agreements with university partners that allow students to exceed the normal 64 credit hours that can be transferred and applied to a bachelor's degree. For every bachelor's degree available through the Communiversity @ Surprise, there is the potential to transfer 75-90 credits from a community college partner to a university partner.

Convenience

The Communiversity @ Surprise is conveniently located in Surprise, Arizona, and provides Northwest Valley residents with access to a variety of higher education programs and services. So now you can stay close to home, easily transfer your credits from a community college partner to a university partner, and earn your degree!

Value

Students can save thousands of dollars while earning a bachelor's degree through the Communiversity @ Surprise, because tuition at community colleges can be up to 75% less than tuition rates at public and private universities.

Partners

Communiversity @ Surprise partners include: Glendale Community College, Northern Arizona University, Ottawa University, Phoenix College, Rio Salado College and Western Maricopa Education Center.

The Communiversity @ Surprise is located in the Civic Center Complex in Surprise, Arizona.

GCC Honors Program

For Information:
 Phone: 623.845.3650
www.gc.maricopa.edu/honors

The Honors Program seeks capable students who are highly motivated, intellectually curious, and who enjoy an atmosphere of creative learning.

Honors courses are offered in many disciplines and satisfy the general education requirements for graduation from Glendale. Classes are small, usually limited to 17 students.

Students who complete a minimum of fifteen (15) credits in honors courses (P/Z credits excluded) distributed among four (4) different course prefixes and who maintain a cumulative grade-point average of 3.5 or higher will be designated as Honors Program Graduates.

Benefits of the Honors Program include:

- Provisional membership in Phi Theta Kappa, a national honors fraternity
- Personal academic advisement
- Early registration
- Scholarships or fee waivers
- Special recognition for honors achievements
- Cultural and social activities
- Honors forums
- Honors convocation
- Assistance with transfer to our state universities
- Eligibility to participate in regional, national, and international programs and conferences.

There are two ways to enter the Honors Program:

1. Recent graduates of Maricopa County high schools are eligible to apply for the Presidents' Scholarship provided they meet one of the following criteria:

- a. Rank in the top 15% of their NCA-accredited Maricopa County high school classes in the 6th, 7th, or 8th semester or
- b. Achieve the following placement on the ASSET or COMPASS test in these three areas:

English: Placement in Honors ENG101
 Reading: Exemption from CRE101
 Math: Placement in MAT120 or higher

Qualified students must enroll during the academic year following high school graduation without having enrolled in any institution other than a Maricopa Community College.

Presidents' Scholars **must meet** the following requirements in order to retain their scholarships:

- enroll in and complete a minimum of 12 credits in courses numbered 100 or higher each semester
- enroll in and complete with a grade of "C" or higher at least 3 credits of honors course work each semester
- maintain a cumulative GPA of 3.25 or higher
- maintain continuous enrollment—summer sessions excluded.

Note: Students who do not meet the requirements for retention face the loss of their scholarships, which cannot be reinstated, and they may be billed for tuition and fees for the semester in which they are enrolled.

2. Continuing and transfer students who have accumulated a minimum of 12 credits in courses numbered 100 and above (P/Z credits excluded) at GCC and who have a cumulative GPA of 3.25 or higher may apply for the Honors Achievement Award. Students who are accepted will receive partial tuition-fee waivers based on the number of credits for which they are enrolled.

<u>Number of Credits</u>	<u>Amount of Achievement Award</u>
12 or more	\$325.00
9 - 11	244.00
6 - 8	163.00
3 - 5	81.00

Students accepted into the Honors Achievement Award must meet the following requirements each semester:

- enroll in and complete with a grade of "C" or higher at least 3 credits of honors coursework
- maintain a cumulative GPA of 3.25 or higher

COMPREHENSION

STUDY SKILLS

CLASSES ARE OFFERED JUNE - AUGUST 2013

Phonics

Program for 4-year olds and entering kindergartners:

Your child will learn beginning phonics and reading readiness skills, build comprehension, and develop a love of books and reading. This program lays the foundation for a strong start in reading and school.

Comprehension

Program for entering 1st graders:

In this program, students learn to read independently. Your child will learn phonics and sight words, build comprehension, and gain the skills and confidence needed for success in first grade.

Vocabulary

Program for entering 2nd graders:

In this program, students become fluent independent readers. Your child will make significant gains in phonics and word-attack skills, fluency, and comprehension, and will develop confidence and a love of reading.

Study Skills

Program for entering 3rd graders:

In this program, students become strong independent readers. Your child will develop the comprehension, fluency, and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

Speed Reading

Program for entering 4th and 5th graders:

In this program, students make substantial gains in comprehension, long word decoding skills, fluency, and reading speed. Your child will complete homework more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

Love of Reading

Program for entering 6th-8th graders:

Students in this program make substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.

Upgrade your work skills, discover a new talent or chart a career path at your convenience with online courses. Education To Go courses feature a structured approach to interactive online instruction that allows each participant to complete lessons and assignments from the comfort of home or office at convenient times. Our instructor-facilitated online courses are informative, fun, convenient, and highly interactive. Our Instructors are famous for their ability to create warm and supportive communities of learners. It's no wonder that many long-lasting friendships have formed in our lively discussion areas. **Classes start from \$119.00!**

Requirements:

Students are expected to have basic computer skills which include navigating Web pages, uploading and downloading files, and sending and receiving e-mails. You should have a computer with Internet access, e-mail address and Firefox, Netscape or Internet Explorer web browser. If a class requires additional software, books and/or materials they will be listed in the online course description. If you're using America Online, Ed2Go recommends that you download the free Microsoft Internet Explorer Web browser America Online provides. For more information visit the Administration Center at www.ed2go.com/glendaleaz or call the GCC Workforce Development Division at (623) 845-3290.

Lessons:

All courses run for six weeks (with a two-week grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any course entirely from your home or office 24 hours a day. Each lesson is posted on the Internet at 12 a.m. PST on Wednesday and Friday for a total of 12 lessons. You must access the first lesson within 5 days after it is posted. To stay on task it is recommended that you complete each lesson within 10 days after it is released. You can print a certificate of completion when you finish. New course sessions begin on the third Wednesday of each month. Please visit our Online Instruction Center to see exact start dates for the courses that interest you.

Registration Steps:

1. Visit our Online Instruction Center at www.ed2go.com/glendaleaz
2. Click the Courses link, choose the department and course title you are interested in and select the Enroll Now button. Follow the instructions to enroll and pay for your course. Here you will enter your e-mail and choose a password that will grant you access to the Classroom.
3. When your course starts return to your Online instruction Center and click the Classroom link. To begin your studies, simply login with your e-mail and the password you selected during enrollment.

On the Start Date:

1. Go to the website at www.ed2go.com/glendaleaz
2. Click on the link 'Classroom' and complete the log in procedure to access your lesson. Helpful instructors, interactive demonstrations, clear tutorials, reinforcement activities and e-mail discussions work together to keep you on track as you progress through the course. You can request a one-time course extension by clicking the 'Help' link and completing the Request Extension Form at the Ed2Go Online Instruction Center. An extension lasting no more than ten days beyond the final exam due date will be granted to any participant who completes this form.

Parking Tips

- Traffic congestion is high from: 7:30 a.m. to 1:30 p.m. and 5:30 p.m. to 7:50 p.m.

- Allow 30 minutes before class starts for parking and walking to class

- 65% of parking spaces are located north of campus

- Parking spaces are usually available in lot S5, most accessible via 63rd Ave and the Loop Road

- DO NOT park in grassy areas

- DO NOT park in disabled or employee parking spaces without appropriate decal

Notices

- Head Start Program has temporarily been relocated off campus due to construction

- Reminder: GCC is a smoke-free, tobacco-free campus
