Dear Mr Willis

On behalf of the 70,000 members of the NSW Rural Fire Service, I would like to express our sincere condolences following the tragic events in Arizona this week.

Sadly the NSW Rural Fire Service, and the broader firefighting community in Australia, is all too familiar with events such as this where the lives of our own are lost on the frontline.

As such, our members have been deeply affected by the terrible losses experienced this week.

This tragedy is a reminder to all of us – not only of the dangers of firefighting but also the dedication and commitment of the men and women who respond.

We offer our sincere condolences to your crews, their colleagues and their families at this difficult time.

Yours sincerely

Rob Rogers AFSM
