July 2, 2013

Fire Chief Dan Fraijo
Prescott Fire Department
1700 Iron Springs Road
Prescott, AZ 86305

Dear Chief Fraijo and Department Members,

On behalf of our Board, Executive Director, and Federation members, I want to express our deepest sympathy to you and your department on the tragic deaths of 19 of your Granite Mountain Interagency Hotshot crew while working the Yarnell Hill fire.

The Federation of Fire Chaplains is a network of chaplains from fire departments around the world serving firefighters in time of need; when one of our own is lost, we are there doing what we do best - praying. We are praying for the Firefighter families and the members of the Prescott Fire Department.

We pray that you will experience the closeness of God through this difficult time. We pray blessings, comfort, and coping strength to each of you as we mourn with you together in the loss of your valued colleague.

Your fellow servant,

Chaplain Jim Burns,
Regions Division Chaplain
