Captain Dan Parker
1133 West Road 3
N. Chino Valley, AZ 86323

Dear Captain Parker:

The City Council of the City of Norwalk, California adjourned its July 2, 2013 meeting in memory of the nineteen brave firefighters of the Prescott Fire Department's Granite Mountain Hotshots. I have enclosed memoriam certificates for each of the families, and would greatly appreciate your assistance to deliver them and express our City's condolences.

Personally, I was extremely saddened to hear of the loss of lives that evening from my good friend Amy Roberts, sister to one of your firefighters, Jerry Roberts. We all recognize that firefighters put their lives on the line all too often for the safety of others and it is always so tragic when someone gives the ultimate sacrifice while doing just that.

I know this tragedy is even more difficult for you with the loss of your own son, Wade, as well as the other courageous firefighters. May God bless and keep you and the surviving firefighters and their families safe as you remember your loved ones and continue to protect the community you serve.

Sincerely,

Theresa Devoy
City Clerk
