July 2, 2013

Fire Chief Dan Fraijo  
Prescott Fire Department  
1700 Iron Springs Rd.  
Prescott, AZ 86305

Dear Chief Dan Fraijo

On behalf of our Board, Executive Director, and Federation members, I want to express our deepest sympathy on the deaths of your department's firefighters. We were stunned to hear of your terrible loss and cannot imagine the pain of your grief at this time.

The Federation of Fire Chaplains is a network of chaplains from fire departments just like yours around the world dedicated to serving firefighters in time of need. In the death of a brother, we are now doing what we do best - praying. We are praying that the families of your firefighters and the members of your department will experience the closeness of God through this difficult time of sorrow.

We pray blessings, comfort, and coping strength to each of you in the days ahead as we mourn with you together in the loss of your valued colleagues.

Your fellow servant,

Chaplain Charles E. McDade,  
Associate Regions Division Director
