Dear Friends:

On behalf of the employees of Guaranty Bank & Trust Company, please accept this donation for the families of the Granite Mountain Hotshots. We request these funds be distributed evenly among all families. Like everyone else in America, we are touched and saddened over the loss of these brave men.

We recently took up donations among the staff in our Belzoni, Mississippi branch. Our 65 employees usually aren't allowed to wear jeans to work on Fridays, but we granted permission to those who made a donation to the cause. Obviously we had many who gave more than the minimum \$5 donation!

Along with our donation, we send our prayers and thoughts for the families and friends of the fallen firefighters. Although it's not a huge amount, we hope it will touch their hearts to know someone from 1,477 miles away cares!

Sincerely,

A handwritten signature in black ink that reads "Cathy Reed". The signature is written in a cursive, flowing style.
