A Ministry to First Responders

July 3, 2013

Dear Chief;

On behalf of the men and women of the Fellowship of Christian Firefighters International I want to humbly offer our condolences for your great loss the other. There are no words that I can offer you or your department at this time in order to encourage you. I can only offer prayer, love, and support. Our members have been praying for you and your department during these difficult days. As you walk through this dark time we have been praying that God would grant you much grace. We pray that God would provide hope and healing in the coming days, weeks, and years. If there is ever anything I can do to help please do not hesitate to ask. I understand that at this time there is so many willing to help, and that is what the brotherhood of the fire service is all about. If you ever find yourself or your department in need when everyone has left please give me a call and my members will help. Additionally, if you need Bibles for the families, your department, or any ceremonies please let me know and I will get them there when you need them. There is no cost at all. May the God of comfort hold you up during these difficult days and may our prayers bring you hope.

“And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as *is* the manner of some, but exhorting *one another*, and so much the more as you see the Day approaching” (Hebrew 10:24 & 25).
