This is sent in honor of our 19 brave young men that gave their lives protecting us. "There is no greater love than (Jn. 15:13) that a man lay down his life for his friends." God bless them! Heaven just received 19 new ones who were the cream of the crop from humanity.

In particular, Kevin Wayjack made a lasting impression when he arrived at my house in answer to my 911 call in Dec. I had all the symptoms of a heart attack, but fortunately it turned out to be something else. Kevin was caring and kind in his questioning. We even had a few laughs together. I remember asking his name and never forgot it. If Kevin has

a family please see that they receive their
note and money. My prayers go out to them
and to all the families that lost loved ones.
These courageous young men are
what makes up the fiber of our
great nation!

In deepest sympathy,
